Subject: WoW'em with purple on Purple WoW Day

Hi all,

[Add name] is inviting you all to their Purple WoW Day.

Purple WoW Day is really simple to do. Just get everyone to do 'something' in purple for the day. You could sell purple cup cakes or get all your work colleagues to wear something purple for the day. It can be whatever your like!

By taking part in Purple WoW Day, you will help Wellbeing of Women raise vital funds so that it can continue to work hard to improve the lives of million of UK women affected by a reproductive health problem.

For more information and to register, visit www.purplewowday.org
